*Instructions in Japanese only

Setting up a bank transfer online is quick because your financial institution can be registered directly and does not require any paperwork or seal.

You can pay your electricity bills, view payment and bill history, and enroll in paperless billing. You will also be able to update your profile and select a preferred method of payment for your monthly invoice.

*Business bank accounts can only be enrolled via paper form.

*Check the list of banks that support online bank transfer enrollment, eligible bank accounts, and items required for identification, etc. on MUFJ Factor's website. http://www.muf.bk.mufg.jp/collect/net_bank.html
